BRANDRETH'S PILLS.

The Albany Argus considerate Brand-

reth Pills well worthy the confidence of

the public. That the principle on which

they cure disease is the same as that of

Leroy of Paris and Swedeneaux of Germa-

ny. That all the variety of disease pro-

ceed from, or are nearly allied to disorders

of the stomach and bowels, and that by

using those remedies which restore to

health these important organs the disease

will vanish. The Brandreth medicines

profess to carry out this important prin-

ciple. We have heard them strongly re-

commended.
